Opt-In Description: "Customers enter their phone number on our sign-up page and check a box to consent to receive marketing, customer support, and alert SMS messages. The form and page footer include links to our privacy policy and terms of service."

Sample Message: "Thank you for signing up for SMS messages from WyshAI! You can now reach us by sending a message to this number. Reply STOP to opt out."

Opt-In form on wyshai.com

A screenshot of a web browser displaying the WyshAI website. The browser's address bar shows "wyshai.com". The website has a purple header with the WyshAI logo on the left and navigation links (Home, Services, Pricing, About Us, Contact us) on the right. The main content area has a light gray background. Centered on the page is a white box with a purple border containing the SMS opt-in form. The form is titled "Stay Connected with us via SMS" and includes a consent statement: "Consent to receiving text messages using the form below." The form fields are: "First Name" (with a red asterisk), "Last Name" (with a red asterisk), and "Phone Number (for SMS)" (with a red asterisk). Below the fields is a checkbox with the text: "I agree to receive SMS messages for service and support from Wysh AI at the phone number provided. Message frequency may vary. Message and data rates may apply. Reply HELP for help or STOP to unsubscribe. Consent is not a condition of purchase. See our [Terms of Service & Privacy Policy](#)." Below the checkbox is a purple "Submit" button. At the bottom of the form, a small red asterisk indicates: "* Fields marked with an asterisk are required." In the bottom right corner of the website, there is a purple circular chat button with a white speech bubble icon.

Feedback and suggestions provided by Twilio Help Center. Suggestions incorporated on site.

What's Good

- **Explicit Consent:** The checkbox clearly states the types of messages (marketing and customer support) and who is sending them.
- **Required Disclosures:** All required disclosures are present and immediately visible.
- **Consent Not a Condition:** You've included the statement that consent is not a condition of purchase.
- **Opt-Out Instructions:** Clear instructions for HELP and STOP are included.

Minor Suggestions

1. **Checkbox Placement:** Ensure the checkbox and the consent statement are directly above the "Submit" button and not pre-checked.
2. **Single Consent Statement:** If possible, combine the consent and disclosures into one statement next to the checkbox for maximum clarity.

Example:

[] I agree to receive marketing and customer support SMS messages from Wysh AI at the phone number provided. Message frequency may vary. Message and data rates may apply. Reply HELP for help or STOP to unsubscribe. Consent is not a condition of purchase. See our [Terms of Service \(link\)](#) & [Privacy Policy \(link\)](#).
